There Was Time For Togetherness And Enjoyment

Sure, there was work. Nobody doubts that. There were times when we thought there was nothing else. But take a minute to reflect. There were good times too. And, fortunately, it will be the good times that we best remember. There was time for meeting other people, sharing ideas and philosophies. There was time for excitement and activity. There was time to lean back and relax.

There was time for Homecoming, tug of war, and contemplating in Commons.

There was time for an athletic battle of the sexes, learning in Mr. Cassen's Chemistry class, socializing, and creative activity.

Dedication

It's difficult to write a dedication for someone whom we have lost in our class. Expressing feelings on a piece of paper doesn't seem quite good enough . . .

Yet, feelings from the heart are the most valuable. Though it may seem easy to explain what Diann was like . . . we all have different memories of her. Some remember her laugh, some her smile, and others as always being happy.

But we all remember Diann.

Diann Virginia Martin left our class and this world on May 4, 1975. She will be with us always.

In memory of Diann —

we dedicate this annual . . .

It was an enjoyable season for all who participated. We also would like to thank those who contributed to the overlays.

Work and fun never subsided in this busy musical year. Many times Swing Choir members thought they were "crazy" to come at 7:15 in the morning to practice. Our energetic new music teacher, Mrs. Pollitt, provided the ideas, enthusiasm, and leadership needed for the numerous re-hearsals and performances. The "Big Show" musical, day on tour, Christmas concert, Pops concert, and the show at B.V. College kept us going all the time.

Mr. Fogleman came up with some challenging music for the jazz band. Some of it looked more like a splatter of dots than organized notes - especially at practice sessions called for 7:00 in the morning! The many hours of practice paid off during performances at B.V. College, on tour, and at the Pops Concert. Being in Jazz Band created memorable moments and experiences for its members.

The vocal music department, consisting of Girls' Glee, Boys' Glee, and the Mixed Chorus, was busy this year. They held several concerts. They added something new this year. It was a Bo-Coon Conference Festival which featured several choral groups from the Bo-Coon Conference. Guest director, Robert Davis, directed them during the practice in the afternoon and again at night. A Parade of Choruses concluded this year's activities for the vocal department. Senior recognition was held that night. It was a very interesting and enjoyable year.

Sunday, July 31, 1977 was a red letter day for Schaller. The Schaller Legion team put the town on the baseball map of Iowa by bringing home the Championship trophy from the Annual American Legion Youth Baseball State Tournament held in Mapleton, Iowa. About 300 Schaller fans traveled to the Championship contest to cheer their team to victory. There were many tense moments while Eldora and Schaller played their toughest game of the season. Under the excellent and enthusiastic coaching of Roger Johnson, the Schaller boys kept up their spirits and won the game 13-11. A caravan of cars accompanied the boys from Mapleton to the Schaller Y, where they were joined by over 50 other cars who followed the escort of the fire truck on which the team paraded through town. The ride ended at the V.F.W. Hall where the boys were treated to hamburgers and pop furnished by Younie Brothers American Legion Post No. 132 and the V.F.W. Mr. James Schmidt, Post Commander, gave a talk in which he congratulated the boys and their coach for a job well done.

The Rockets had a good overall season with a record of 7-2. Some disappointment was felt by the team, having been ranked 3rd in Northwest Iowa and being picked to win the Conference and then losing two heartbreakers to Newell and Lytton. The Senior Rockets would like to thank the coaches and the fans for all they have done in the past four years. The Seniors retire with a 30-6 record and hope the Rocket pride will continue.

Tom Brown, our only senior wrestler, provided good team leadership. Tom placed high in each tournament he was in this year, including 2nd place at sectionals advancing him to districts where his season ended. Tom entered the Rocket Record Book by picking up 11 pins on the season.

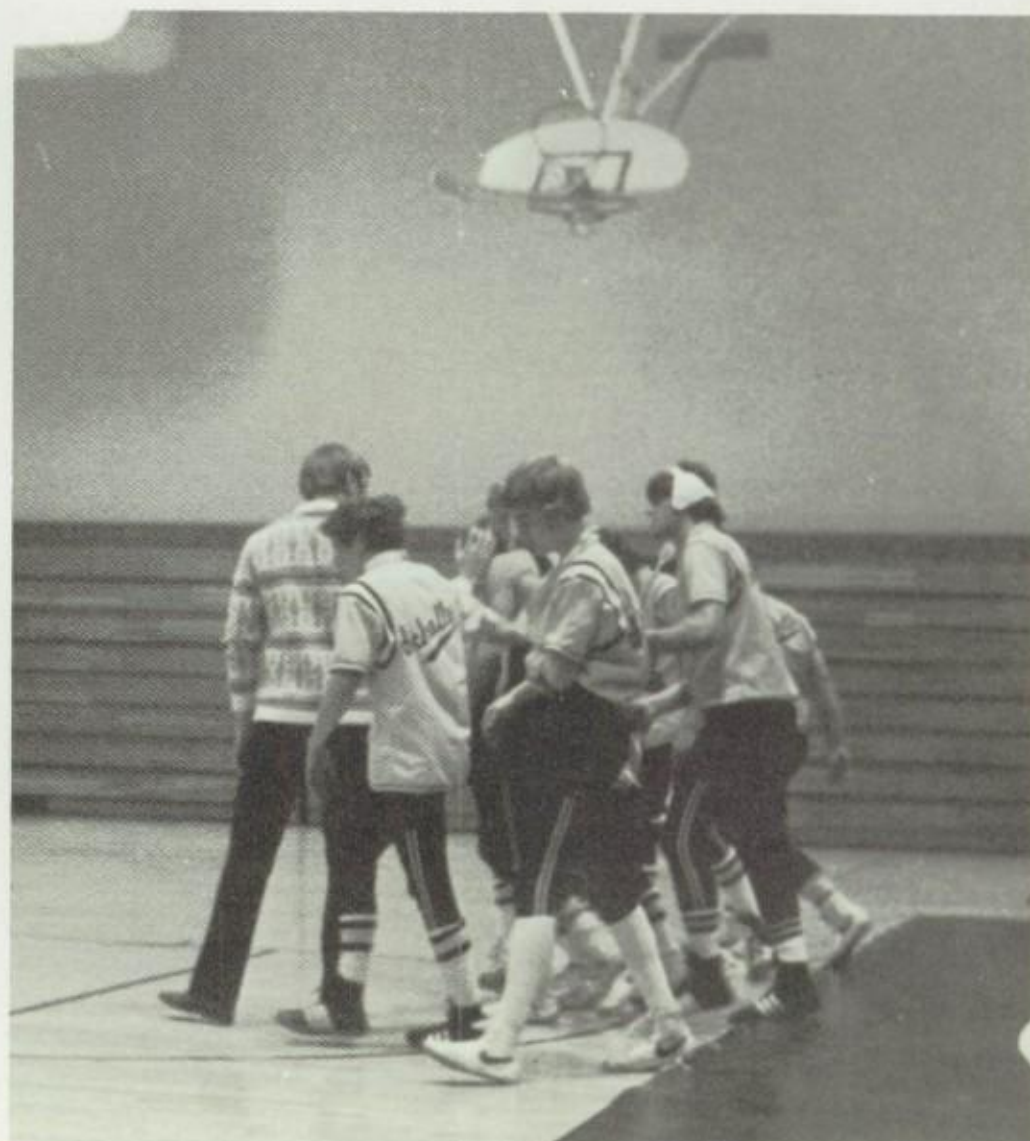

Doug Schmidt ended the 77-78 year as most valuable wrestler based on a point scoring system. Doug led the Rockets in the win column with 15. This is the first year a sophomore has gained the honor. We'll be looking for good things for the next two years from Doug.

FOR FUTURE

The Rocket Wrestling Team saw a fairly successful season in the terms of total team effort. Several wrestlers placed high in tournaments during the season and the race for most valuable wrestler was not dominated by one person as in previous years. The team lost only one senior to graduation; Tom Brown. Tom was the team captain this year and provided good leadership to a young team. Team standouts this year were Tom, Larry Bloyer, John Breuklander, and Doug Schmidt, plus a nucleus of underclassmen who show good potential for the years to come.

SCHOOL LIFE

Lalo!

Schaller welcomed a new student in January, 1978. The new student was Lauro da Gama e Souza Junior, Lalo for short. Lalo left the warm summer of Brazil to come to Iowa's cold winter.

Lalo was born in Rio de Janeiro. In Schaller he lived with Mr. and Mrs. Lyle Martin, Tony, and Missy.

Lalo kept very busy while he was here. He took six classes; Physics, Sociology, American Problems, English 9, Geometry, and Algebra. He also participated in track and baseball. While he was here he learned to play the guitar.

His hobbies in Brazil were surfing, going to the beach, disco, and soccer.

Lalo says the town of Schaller was very kind which made it easy for him to live here.

In July, Lalo returned home to his father, mother, and two brothers.

Student Council Brings Back Bonfire

The Student Council was active this year in planning such events as the Homecoming bonfire, parade, and the dance. They also sponsored a dance on December 20th featuring "Genocide". It was held in the big gym and Galva was invited too. Steve Whitney played records for a disco dance on February 24th. The Student Council advisor, Mr. Ober, and two of the council members, Dan Wendel and Peg Friedrichsen, attended a meeting earlier in the year at Ames, which was held for student council members from all over the state. All together the Student Council had a very profitable and enjoyable year.

The week of Homecoming '77 was a busy one. There were many hours spent getting ready for the big Homecoming pep rally, building floats for the parade, and preparing oneself mentally for one of the best Homecomings in recent history. The Student Council even held a bonfire after the pep rally again this year. Then ... finally on Friday night was the big game and half-time activities which were dampened a bit by rain. But that didn't seem to dampen the mighty Rockets' Spirits because we had a great 42-0 victory over Battle Creek! Afterwards a dance was held in the all-purpose room featuring "Beggar's Riddle." All in all, Homecoming '77 was one to be remembered.

"The Lottery"

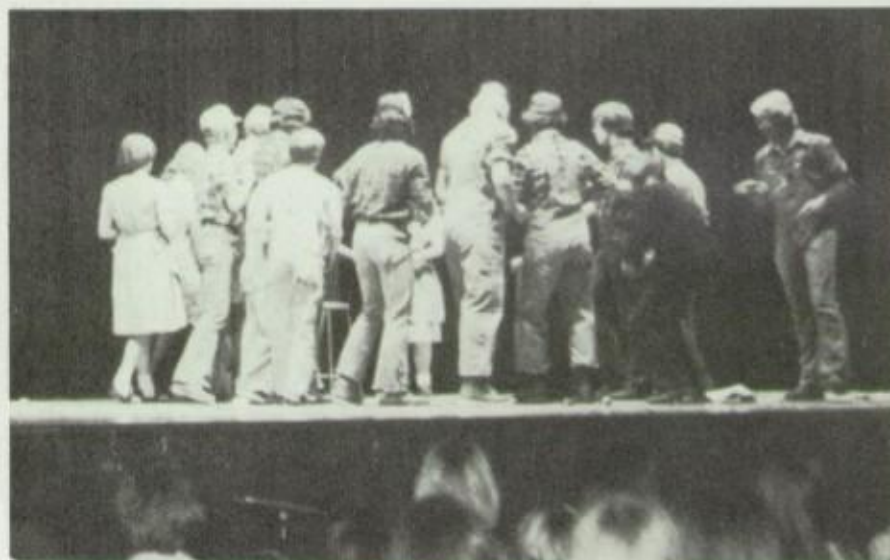

The Lottery
Place: A Village
Square
Time: June 27,
1977

Two One-Act Plays were presented this year. Four members of the speech class, Tammy Van Buskirk, Laurie Leseth, Randy Willer, and Kelvin Ayers were the assistant directors. The first play was "The Lottery", in which the townspeople drew a name out of a box to decide who was to be stoned. The blood-curdling scream towards the end left the audience in a complete stage of unrest.

The second play was "The Farmer's Daughter". This was about a young girl who was willing to do almost anything to fulfill her life-long dream of having a career on Broadway. However, she is never able to do this because of certain happy circumstances which occur.

This gigantic mural was created by the high school art classes under the direction of Ms. McCrea. Located in the hallway by the music rooms, it took many, many hours to complete. It is a beautiful addition to our school and Ms. McCrea and her classes are to be commended for their fine work.

"UP WITH PEOPLE"

Seen by five million people in concert from Mexico City to Belfast, the international Up With People group performed in Schaller April 26 with their all-new two hour musical show. It was an entertaining blend of music and dancing which included contemporary instrumental section of guitars, percussion, piano, and brass. The buses pulled in on Tuesday April 25. Members of the cast stayed with host families in the community Tuesday night and spent all of the next day getting ready for the big show.

The Wednesday evening performance proved to be a great success with 1003 tickets being sold. Thanks to the Music Parents and Jaycees, who sponsored the event, a very enjoyable time was had by all. The vibrance of the young people, approximately 50 in all, will long be remembered by those who met and visited with them.

"Times Worth Remembering"

Seems like just yesterday we were learning
our ABC's
Yet, today, we are no longer holding hands
and sitting in the storybook circle.
No - we are individuals - facing up to reality
and seeing the world with our eyes wide open.
Each day we will become stronger,
And our lives will be filled with the good and the bad.
Yet, we will face them on our own and solve
them in the best way we can.
Though we will always be the Class of 1978,
tomorrow we'll wave good-bye to our friends
and go our separate ways.
We will never forget what we have learned from each other -
those beautiful and sad experiences which seem to shape
us into people.
Happy times ...
Sad times ...
Frustrating times ...
and Joyous times ...
But always times worth remembering for us ...

the Class of 1978.
